

Thunderbird Members

2013 -2014

A special welcome to all of our new members as well as to all of our previous members! We'd like to share a few rules with you, explain what your dues provide, and outline the schedule of events for this ski season.

The Thunderbird Club is for members only. Your pass should be visible while you are in the club.

You are responsible for paying \$10.00 for any adult non-member, and \$5.00 for any children per visit (12 and under) who are your guests. The same non-member may only return as a guest once a month. Please go to the office to pay for and receive a guest pass. On any party day an extra \$10.00/ per. must be paid to a Board Member for any guests (adult or child).

If you are interested in having a guest at Fun Weekend you must see a Board Member a week in advance to register the guest and pay a total of \$30 per adult (\$25.00 per child) per day on Fun Weekend (\$10.00 to Song Mt. and \$20.00 to the T-bird Club per adult and \$5.00 to Song Mt. and \$20.00 to the T-Bird Club per child).

Members are given a discount on tuning skis at Song's Alpine Edge in the main lodge.

Again this year we will have the opportunity for each member to race NASTAR at Song Mountain for the entire season as part of your dues. Watch for more details.

The Keurig Coffee / Tea / Hot Chocolate machine is for everyone's use. You will need to purchase your own K cups.

Check the T-Bird bulletin board and website for more information and updates to the schedule. (website: songtbird.com)
